Cullompton Pre-school Plan

Focus: Theme work - Space

Autumn term - 2nd half.

Curriculum Ou		Our goals		On track – current children		Nurture – current children
Listening and Attention		Notice all children, talk to all children, be kind, respectful and support, listen and praise. Teach names, use names all the time,				
		teach groups/routine rules/pre-school rule (British Values)	es/our values			
CEL's	Playing and Explori	Daily story and daily	singing Active Learning		Creating	and thinking critically
	Playing and Exploring Observe children inside and outside Opportunity for free play Provide new materials and experiences		Learn routines	en to keep trying when	Creating and thinking critically Less interruptions to play Use learning journeys with children to talk about achievements and memories Make links between ideas - look for connections	
Theme	Our Planet and spac	e				
Role play	Space rocket and space station					
Continuous Provisic	on – see separate rota					

The best for every child	All children deserve an equal chance of success	Reduce disadvantage - close the gap	We believe in inclusion and extra help and nurture
High Quality care	What is it like for a child here?	Do you enjoy being with the children? Do you care for them and notice them all?	We understand that behaviour is communication
Curriculum			
	We have written a plan of what we want children to learn with us	We have high aspirations for exciting activities, engagement in learning and being engrossed in what the children's interests are	We will plan to inspire, plan to engage, plan for progress and plan for deep level learning and well being while learning. We will nurture
Pedagogy			
	We will learn about pedagogy and how to plan for our environment and curriculum	We have a mix of free flow, inside and outside, circle times, time to explore with and without support.	Children learn through play, we can guide, we can model, we are all fantastic practitioners and are gentle and kind and supportive and we believe in inclusion.
Assessment			
	We will notice all children. We will form relationships with all children	We will have regular meetings as key workers to share information and create a learning journey for each child. We believe that is important for us.	We will update our knowledge of child development. We will not write observations in circle times. We will use of learning journeys with the children
Self regulation			
and executive function	We will help children to focus and concentrate.	We use the Thrive Approach to enable children to understand feelings and manage big feelings and we know these can be overwhelming.	We will help children to ask for help, to plan what to do, to regulate behaviour when we understand the triggers and reasons.
Partnership with			
parents	We work with the whole family. We enjoy making relationships with our	We have parent consultations, invite parents in, we email, telephone, hold meetings, share concerns and successes	We share home learning ideas on our blog and on facebook to support the learning at pre-school.
	families. We treat everyone equally and	and keep our website and social media up	We share Chat, play, read resources.
	with respect and celebrate difference.	to date.	We share Tiny Happy People resources
			We screen all children for Let's Talk More and
			share areas to support. We hold TAF meetings and safeguarding
			meetings
			We promote family support

Area of learning	Key Areas for this half term	Focus Areas for progress for all children Circle time ideas for group leaders	Intention/Impact - free flow - all staff Outstanding practice - our expectations
Communication and Language	STAR Understand simple questions - "who" "what" "where"	Cover themes and ideas and experiences in circle times to support focused attention and concentrating.	Make time for conversation – sit at snack time/chat to children at lunchtime. Talk to every child. Who gets missed out? Who avoids talking?
Interactions	Understands longer sentence instructions – make your teddy jump	Encourage children to talk – comment x 4 to 1 question	See how long you can keep a conversation going
Exploring	etc		with a child and ask a staff member to write it
Language	Can use multi syllabic words - banana Uses two words together	LTM screenings ongoing	down as an example of sustained shared thinking - use why, how, what, when - no closed questions!
Listening and		Check who uses sentences of more than 6	
Understanding	SUN/MOON	words - monitor	See if you can recognise it in others practice.
You can cover all areas during your	Understand a question/instruction with 2 parts.	Look at specific areas of interest - vocab - animals, tools, houses, shops - ask	Why, where, how, when, what?
activity	Understand why questions Uses sentences of 4-6 words Can hold a conversation Understands use of objects	questions, write lists, make notes, write list, talk, conversations, plans, what's happened today, what will we do tomorrow? Conversation is key to all other areas.	Listen and respond, name things when playing, commentate on the play.
PSED	STAR	Support children to find ways to join in with other children and their play.	Make observations on who can resolve conflict, who can talk about emotions and who is good at
Emotions	Develop friendships with other children Notice and ask questions about differences	Hair colour, types of hair, gender, special needs, height, lunchboxes, drinks bottles etc	turn taking and waiting. Emotion puzzles and emotion balls
Sense of Self	Talk about feelings in detail	I feel sad when I feel cross when	Give positive praise in all situations and ensure
Relationships	SUN/MOON		we notice the children who have these skills – proximity praise.
You can cover all areas during your activity	Select and use activities with support – help children to achieve a goal either of their own choosing or from us. Become more outgoing.	As the year proceeds we must increase challenge and provide new resources. Model new activities. Develop confidence when visitors come in	

Physical	STAR		
Core Strength and co-ordination	Enjoy kick, throwing and Catching balls Fit themselves into spaces,	Tunnels, dens, obstacle courses.	Gross motor work with targeted children. Look for W sitters, children who get tired,
Gross motor skills	dens/boxes/tunnels Develop manipulation and control	Drawing under the table, on the fence, painting the fence, draw to music.	children who cannot climb, introduce tummy time activities around a builders tray.
Fine motor skills	Gross and Fine Motor skills Toilet training	Physical games - develop strength Discuss with key children's parents	Core strength is children's ability to keep their position and move from the centre of their body
You can cover all	SUN/MOON		outwards. If core strength is underdeveloped, children will struggle with gross motor skills and
areas during your activity	Toilet training - speak to parents Skip and hop and pose for games Take part in group activities	Encourage children to be confident movers Forest School	fine motor skills, stability and balance. This will affect their ability to coordinate more refined movements.
	Able to remember sequences of sounds/movements	Music games, matching patterns of movements and sounds	
	Make healthy choices about food, drink, exercise and teeth.	Teach a healthy lifestyle Conversations Exercise	
		Dental health	
Literacy	STAR		Mark making trolley outside and inside
Comprehension	Enjoy sharing books with an adult Have favourite books	Letters and numbers - the difference. Names are different to drawings.	Chalk drawing on the stones, fence.
Pre - Reading	Pay attention to the books		Numbers and letters displayed in the garden
Pre - Writing	Ask questions about the books Develop play around stories	We will be working hard on story telling and enjoying books - we will have 5 books a	Read books with children on the carpets
Incorporate all		week to read around our other theme to	
areas into your activity	SUN/MOON	glue it all together.	When reading - show children some words and long/short, there is always a space, we read left
	Phonological awareness Spot and suggest rhyming words		to right, we turn pages one by one, we read every word to help us learn the story and know what is
	Count and clap syllables Recognise words that start with the same letter	Packaging, birthday cards, wrapping paper, magazines, logo's, menus, comics, books, labels, picture cards, our widgets, names.	happening.

Mathematics	STAR	Maths circles - work on recognition, counting and repetition. Write good	Use opportunities in free flow to count, to recite numbers, to add one more or take one away.
Numbers	Compare amounts - lots more same	observations.	Count friends by the swing, kitchen, on the
	Lots of counting - 1-2-3-4-5		frame
Patterns and	Compare sizes and weights using	Construction available in free flow but can	
connections	vocabulary	be used for circles times as well to freely	
	Notice patterns and arrange items in	explore during small group time.	Children should be able to count confidently,
Spatial Reasoning	patterns		develop a deep understanding of the numbers to
			10, the relationships between them and the
	SUN/MOON		patterns within those numbers
Incorporate both		Talk about shapes - flat, sides, pointy	
areas into your	Link numerals and amounts	corner, round	
activity	Experiment with symbols and marks for	Go out and about to look for road signs,	
	numerals.	make maps, photo's of front doors - how do	
	Talk about 2D and 3D shapes	you get to preschool. Make a trail/course	
	Describe a familiar route	to follow and then describe. Flowing water	
		challenges/complex train track - vocab - in,	
		on, under, behind, next to, between,	
		beside, alongside, underneath etc.	
Understanding	STAR	Use our curriculum ideas to learn about	Children need to be able to form positive
the World		concepts and themes. Incorporate any	relationships, especially with other people who do
	Notice differences between people -	other areas of learning to the plans. Vocab	things differently to themselves and their
Personal	reflect diversity	and communication is key to all areas.	family.
Experiences	Use photos of the children in circle		
	Use photos of pre-school life from blog	Use the back garden more. Go out in the	Children's natural curiosity needs to be nurtured,
