

fundraising Newsletter

March 2023

Big news! On 14th May 2023 (weather permitting) one of our pre-school staff and two of our committee members will be doing a 10,000 ft sky dive!

Rhi, Michelle and Nick need your help – they are fundraising for our pre-school and are collecting donations through their on-line platforms.

Every donation matters, however small. The link for Michelle's page is here:

The need for fundraising is huge.....

Early years is massively under-funded and our setting is no exception. We are continuously fundraising so that we can provide the children with the resources and experiences that are vital for their development and growth. Please help us raise awareness by following this link: [Join the fight for fair early years funding | early years alliance \(eyalliance.org.uk\)](#)

We know that our families have been busy collecting sponsorship for our Sponsored Bike Ride from 20th-24th March. **Don't forget to return your child's sponsorship form this week.** We ask you to do this so that we can sign your child's form and confirm how many laps they have completed. Your form will be returned to you once the bike ride is complete.

Thank you so much to everyone that has already voted for us in Cullompton branch of Tesco's – Every blue token counts! We are currently raising funds to update our tech so we're hoping for as many blue tokens as possible to receive the highest amount awarded by Tesco's!

We are very grateful to Tesco for allowing us to take part and to the local community for voting for us!

Don't forget that signing up to www.easyfundraising.org is the easiest way to help our pre-school raise funds!
