A **big** welcome back to all our families, those that are continuing their journey with us and those that are just beginning. We are very much looking forward to the Autumn term and all the fun it brings!

## AGM

Annual General Meeting

Thank you to everyone that took the time to attend our Annual General Meeting via Teams recently – we have successfully elected a new committee.

**The newly elected committee members are as follows: -**

Hannah Thatcher (Chair), Jack Madge (Vice Chair), Nick Moore (Treasurer), James Shere (Secretary), Rhiannon Bates (Fund Raising Lead) and committee members Jess Titcombe, Zoe Tinley, Kyra Roberts. If you weren't able to attend the meeting but would like to be a committee member please contact Mandy Goff in the pre-school office.

***Please support the committee at fundraising events that are run throughout the year – any help you can offer is always very much appreciated.***

### Message from Amelia (Pre-School Leader)

Dear Families

We follow the early years foundation stage (have a look on our website for info on the EYFS and our curriculum) and each year for your child we put together learning journeys for children, we have set up a scrap book style learning journey and each key person has a separate notebook for ideas for home learning and skills we have noticed and areas to practice. The emphasis from the Department of Education has changed to ensure that we spend as much time with the children as we can which is fantastic for us and for them! Some of you have had children move through our setting onto school so you may be disappointed to know that you won't have such a detailed special book to keep. While we are keen to follow the correct guidance we are still going to work on a scrapbook as described above with the children. We use time with our key children to look at the photos together, to help us build our relationships with them and with you and this will have some lovely family info and a record of their days out and Forest School. We also follow progress for all children and will let you know if your child is "on track" or if they need a bit of "nurture" in some areas. We will have a meeting as a team this half term to chat over how the children have settled in and we will then pass their book to you for comments and for you to see the layout. Any questions please chat to your key person or to me.

SAY  
CHEESE!

**Family Photo Session on Sunday 23<sup>rd</sup> October 2022** – We have a photographer coming into pre-school from 9.30 am on 23<sup>rd</sup> October. Everyone is welcome so please tell your family and friends. A list of appointment times will be available on the lunch trolley so please feel free to add your details. We used this photographer last year and we think you'll be very pleased with the prices of the various packages they offer.

We are part of a scheme with Tesco and Aldi to ensure food does not get thrown away. Each week we will take delivery of a quantity of food that Tesco and Aldi has passed to us to use for the children's snack and to share with our families.

We often receive bread and bakery items as these have a shorter sell by date. Occasionally we receive fruit, vegetables and some treat items.

The TESCO logo consists of the word "TESCO" in a bold, red, sans-serif font. Below the text are three horizontal blue wavy lines.

Could you benefit from receiving an extra bag of groceries each week? Do you have anyone else in your family that needs a little extra help? Could a grandparent, friend or neighbour benefit from this scheme? This is a discreet and confidential service. A text message is sent when your grocery bag is ready for collection from our reception area any time during pre-school hours or at the same time that you collect your child.

We are very keen to ensure that this amazing weekly donation is not wasted. Please send us an email to [admin@cullomptonpreschool.org](mailto:admin@cullomptonpreschool.org) with your name and the words 'Fair Share' if you would like to take part. Alternatively, you can text us on the pre-school mobile (number at the top of this newsletter) with the words 'Fair Share' and your child's name.

We are also looking for volunteers to collect our Tesco Fairshare on a rota basis. With enough parental help this might mean that you only need to collect maybe once or twice a month. Please call the office if you can help or would like more details.

**Morning drop off** – we open our doors at 9.10 am – children are dropped at the main entrance and will be greeted by a member of staff. A member of staff from the office will ask you to tell us who will be collecting your child at the end of their session. In order to reduce congestion at drop off time we would ask that wherever possible questions and queries are emailed to us.

**Lunch Boxes and Drink Bottles** – Please put your child's lunch box on the lunch trolley (usually placed outside during morning drop off) and put their drink bottle onto the drink trolley which will now be positioned in the main reception at morning drop off.

**Absences** – our office phone lines are usually manned from 8.45 am. If you are calling to report your child as absent please leave a message on our absence line (accessed through our landline number) stating your child's name and the reason for their absence. If your child is due into session and doesn't arrive it is our procedure to contact parents/carers.

**Lunch time collection** – we will open our doors for collection from 12.00 pm. Please be prompt so that we can allow our afternoon children to be dropped off.

**Lunch time drop off** is 12.10 pm – our morning children need to be collected before we can allow you in so please bear with us.

**End of day collection** – We will open our doors at 3 pm for those families that wish to collect a little earlier in order to collect siblings from primary school. If you wish to collect at 3 pm please queue to the right hand side of the path. For everyone else we open our doors for our end of session at 3.10 pm for you to collect your children – please form a queue on the left hand side of the path. The nominated adult who is collecting your child (the person that you advised us of at the time of drop off) will be shown into the building to collect your child and chat with their keyperson.

**Our Gate** – please ensure that you close our main gate behind you when entering or exiting the preschool – although we have security doors at pre-school, ensuring that the gate remains closed at drop-off and pick up times gives us another layer of safety for our children.

**Text Messaging Service** – we do try to keep messages to a minimum but our text messaging service is the easiest way to contact parents/carers with short messages or requests. We should explain that messages are limited to 160 characters so it is not always possible to add 'pleases or thanks yous' so we apologise for this in advance!. If you aren't receiving text messages from us please let the office know as soon as possible.

A huge thank you to parents that volunteered to help us with our recent trips to the fire station. Our adult to child ratio when we're on outings and trips is much higher (usually 1:2) so trips aren't possible without parental support. It might be that a Grandparent, Auntie or Uncle would like to help out if you are unable to? We are very grateful for all help offered.

Every child has a named clear basket in the cloakroom underneath their coat peg. We use this to store artwork and your child's information that needs to be sent home to you. Please empty your basket each time you collect your child.

#### **We are a 'nut free setting'**

Please ensure that your child's lunch does not include nuts or products that contain nuts such as peanut butter. We also do not allow sweets, chocolate bars, crisps, or fizzy drinks.

We are passionate about healthy lunch boxes here at pre-school! Thank you to all the parents that have followed our guidelines. If you are stuck for ideas, ask us for a lunch time leaflet. If you have any ideas or recipes for healthy lunch boxes, please let us know, we'd love to share with other parents.

## Lunchbox tips

### **Keep them fuller for longer**

Base your child's lunchbox on foods like bread, rice, pasta and potatoes. Choose wholegrain where you can.

### **Mix your slices**

If your child doesn't like wholegrain, try making a sandwich from one slice of white bread and one slice of wholemeal/brown bread.

### **DIY lunches**

Wraps and pots of fillings can be more exciting for kids when they get to put them together. Dipping foods are also fun and make a change from a sandwich each day.

### **Ever green**

Always add salad to sandwiches – it all counts towards your child's 5 A DAY.

### **Tinned fruit counts**

A small pot of tinned fruit in juice – not syrup – is perfect for their lunchbox and is easily stored in the cupboard.

# LAUNCH INTO LANGUAGE

Parents!  
ARE YOU WORRIED ABOUT ANY OF THESE?

- My child is unable to maintain attention for more than a few moments.
- My child isn't able to follow simple instructions
- My child is not saying many words for their age
- My child is not producing the right sounds for certain words
- My child cannot socially interact with children their own age
- It is difficult for my child to have a two-way conversation
